

**Dear Friend
District Governor - 2009/2010**

**We will soon be together with you
in San Diego, at the Rotary
International Assembly.**

**It will be an excellent opportunity
for us to share some wonderful
moments, exchange experiences
and achieve closer ties of
friendship and comradeship.**

**It is with great pleasure and
satisfaction that I present to you
all some information on my
District 4420, which is located
in São Paulo, Brazil.**

**DGE Roberto Barroso

ROTARY WORLD

District 4420

We have effective and continuing participation in the Group Study Exchange (GSE) program and in the Youth Exchange Program (YEP).

Our members are encouraged to collaborate with the Rotary Foundation, of Rotary International.

Over the last three Rotarian years, we have achieved significant figures, by the standards of a developing country:

- 2008/2009 – US\$ 442,991,65
- 2007/2008 – US\$ 433,196.00
- 2006/2007 – US\$ 684,761.00
- 2005/2006 – US\$ 287,151.00

• In 2006/2007 – We had the highest income per capita of the World

YOUTH

In our District, young members have major participation in social actions and seek to develop the ideals of service, day-by-day.

In total, we have **08** Rotary Kids ,
08 Interacts and **17** Rotaracts.

Regarding youth exchange, District 4420 always seeks to have its doors open for new partners. Every year, we receive and send out around **35** young people to and from countries like the United States, Japan, Canada, Australia, Mexico and France, among others.

EXCHANGE AND FOUNDATION

Our District also seeks to maintain group study exchanges with other districts throughout the worlds.

United States, Japan, Italy, Canada, England, Egypt and Germany are some examples of countries with which we have had group study exchanges over the last few years. Our donations to the Rotary Foundation have been reaching significant figures over recent years, as can be seen from the preceding slides.

At present, we have seven clubs in which 100% of the members are Paul Harris Fellows.

Every new Rotary year, we seek to develop projects that might find partners in other countries, with the aim of putting actions of community interest into practice.

Over our history, we have many cases of success in projects that had support from the Rotary Foundation.

Just for your information, these are the total figures relating to projects with international partners:

- 2005-2006: US\$ 473,921.50 (44 projects)
- 2006-2007: US\$ 313,652.50 (21 projects)
- 2007-2008: US\$ 288,797.00 (14 projects)

EDUCATION

Several clubs in our District carry out work within the field of education. These are actions going from basic education for children, from their first years of life onwards, to technical training to prepare young people for the work market.

In addition to assisting or maintaining educational institutions, the members of District 4420 have also held talks aimed at teenage students, about the professions that they will follow in adulthood.

HEALTH

The field of healthcare is another segment that is strongly influenced by District 4420. Whether undertaking rehabilitation of children and teenagers with cerebral and motor disabilities or supporting people with impaired sight, our members promote a variety of actions that help to supplement the public services available. The eradication of poliomyelitis is also a cause that our clubs support, as we cannot fail to do, both in local promotions to encourage vaccination or through donations of funds to the Rotary Foundation.

ROTARY FAMILY

The Rotary family plays an important role in the cities that make up District 4420. Whether in Friendship Houses or in Associations of Rotarian Families, the Rotary family shows its strength and dedication in relation to other people.

DISTRICT 4420

Health , education , sport,
ecology ,water resources ,
hunger , youth and much
more.

This is a small sample of
what our members do to
fulfill the ideal of service.

WE'LL SEE YOU SOON !!!
We will soon be together with you.
It will be a great pleasure
To get to know you in person.
With Rotarian greetings,
DGE Roberto and Eliane Barroso.
